**Re: WC Docket Nos. 10-90 & 05-337  
Fremont Telcom Co. Petition for Waiver**

Dear Ms. Dortch:

On February 28, 2014, Fremont Telcom Co. ("Fremont") submitted a Petition for Waiver in the above-captioned proceeding. The gist of that filing was to correct the number of Fremont's local exchanges from three local exchanges to four local exchanges. Attached is a certification from Fremont attesting to the fact that Fremont has always had four local exchanges.

Please contact me if there are any questions.

Sincerely,

Jason B. Williams
